For Immediate Release:

EIU GRAD FORUM TO DISCUSS INFORMATION TECHNOLOGY

CHARLESTON -- Eastern Illinois University's School of Technology will host a day-long forum and exposition focusing on information technology.

"Information Technology: Its Management, Infrastructure and Future," part of Eastern's Graduate Forum Series, will be held Friday, April 9, in the Martin Luther King Jr. University Union and Klehm Hall laboratories.

"People will pick up a new direction in information technology," said Gene Strandberg, professor and graduate coordinator for the School of Technology.

Three formal presentations will take place between 9 a.m. and noon in the University Union's 1895 Room. Morning keynote speakers include John J. Oskin, FactoryWare of Evanston; David

in operation. The microscope is an effective tool used to study the structure of materials, chemicals, minerals and biological samples.

"You don't have to have previous experience; just come and learn what it's all about," Strandberg said.

Admission is free and open to the general public. This does not include a noon luncheon. Please call Strandberg at 581-2721 or Mahyar Izadi at 581-3226 for information.
